Land acknowledgment

Please join us in showing our deepest respect for all Indigenous peoples across Turtle Island.

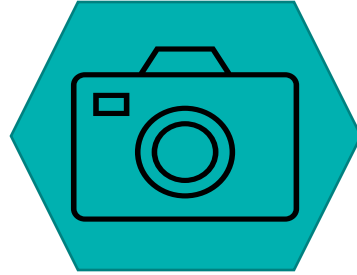

We would like to acknowledge that CMHA North Bay and District is located on the traditional territory of the ever-present Anishinaabeg People. We reflect on the deep and long history of relationships and stories that have carved and shaped this land for time immemorial. We reignite our connection and commitment to the traditional First Nations of this territory in honour of the spirit of Truth and Reconciliation.

CMHA North Bay and District is dedicated to finding ways to align itself with the Calls to Action in our relationships as mental health and addictions service providers, as allies, and as policy advocates in our community.
